## Session Chairs, Presenters, and Abstract

**For session chairs**

- Please be seated at the next chair seat 10 minutes prior to the beginning of the responsible session.
- Please encourage active discussion while keeping the lecture time and Q & A time appropriately.
- The time keeper will ring once at the two minutes before the end of presentation time, twice at the end, and three times at the end of Q & A session.

**For oral presenters**

- Please keep 12 minutes presentation time and 7 minutes discussion time.
- Oral presentation can only be made using an LCD projector. Please bring your own PC.
- Connector

For connecting an LCD projector and a PC, mini D-sub 15pin – connector (regular one with three lines of five pins) will be used. If your PC does not have a female connector, please have an adopter ready on your own. If you intend to use a slimline Windows notebook or a Mac, please prepare a connection conversion adopter with you. Please also check how to switch to display video signals to the screen in advance. Cables are prepared on site.

**For poster presenters**

- Poster of 90 cm in width and 175 cm in height can be displayed.
- Display of a poster should be completed between 9:00 and the beginning of the presentation time on the day of presentation.
- Please displace your poster as soon as the presentation time is over.

**Abstract**

- The book of abstracts will be provided by USB at the registration desk of the meeting (FCC Build. 2F).
- You may view and download PDF file of each presentation according to the presentation number from the dedicated site.
- The publishing date of the book of abstracts will be October 6, 2014.
